517650	 Stochastic Simulation - Group 23 - Project 1.pdf (356.77 KB) As mentioned in the beginning of the report, we tried to find another group to merge with, using both the discussion forum and writing our contact information on the blackboards. We did not get any responses, and in order to finish the project we decided to complete it in our group of three students.	Søren Raunsgaard Skjernaa	15 June, 2023 10:02 PM
